

V. Conference on Horticulture and Landscape Architecture in Transylvania

Dear colleagues!

Launched by the Horticulture Department at Sapiientia Hungarian University of Transylvania (Sapiientia HUT), the *Conference on Horticulture and Landscape Architecture in Transylvania* has arrived to its fifth, jubilee edition. Organizing partners are the Faculty of Landscape Architecture and Urbanism Budapest, Szent István University, the Ecopsychology Institute from Budapest (Hungary) and the Transylvanian Museum Society (Romania). The event will take place in the Targu Mures Campus of Sapiientia HUT, on the **12-13th of April 2019**.

The main goal of the conference is to facilitate the involvement of young academics, researchers, students of horticulture, landscape architecture and related fields into the scientific and professional life, to offer them the opportunity to have an insight into the ongoing research process and to present their research to a broader public. A special component of this year's current conference will be the Ecopsychology Day, that reflects on the connections between ecopsychology and landscape architecture (<http://ecopsychology.hu>). Special keynote speakers, lectures of experienced academics and professionals will guarantee the conference its scientific quality.

Presentations, lectures:

The two planned panels (Horticulture, Landscape Architecture) are going to be finalized after receiving all applications. A time frame of 15+5 minutes will be allocated to each participant. Oral presentation languages are English and Hungarian, but all written presentations are required in English.

Please submit the abstract of your presentation (max. 250 words) through the given online application platform.

Participation fee, application:

Application fee: 100 RON, special application fee for students: 50 RON (students of bachelor and masters degree, doctoral students, academics and students of Sapiientia Hungarian University of Transylvania). The fee includes costs related to official conference papers, lunch and refreshing beverage.

Deadline for application (including submission of presentation abstracts in English): the 23rd of March 2019
